

# QUALITY YOU CAN TRUST.

Ask your YORK® Contractor for details about how our quality features, workmanship and comprehensive warranties provide years of comfort you can count on.

\* Lifetime Heat Exchanger and Lifetime Compressor Limited Warranties require online registration within 90 days of installation. Otherwise, the warranties revert to a standard 20-year Heat Exchanger and 10-year Compressor Limited Warranty.

\*\* 10-year Parts Limited Warranty requires online registration within 90 days of installation. Otherwise, the warranty reverts to a standard 5-year Parts Limited Warranty.

\*\*\* 1-year Labor Limited Warranty requires registration within 90 days of installation. Only available for 2016 and newer models.

\*\*\*\* Complete Assurance™ Limited Warranty: If the heat exchanger fails within 10 years of installation on premium models, we provide optional furnace replacement in lieu of a heat exchanger replacement.

Backed by Johnson Controls, YORK® products are designed and manufactured to the highest standards. Our reputation for quality is backed by one of the strongest warranty packages in the industry. All YORK® gas furnaces get a Lifetime Heat Exchanger Limited Warranty, with our Affinity™ Series split-system air conditioners and heat pumps receiving Lifetime Compressor Limited Warranties. And all YORK® systems get a 10-year Parts Limited Warranty and a 1-year Labor Limited Warranty.

## A Consumers Digest Best Buy

For more than 50 years, *Consumers Digest* magazine has identified products with outstanding value. The YORK® Affinity™ YP9C modulating furnace has been rated a *Consumers Digest* "Best Buy."

The Best Buy seal is a registered trademark of Consumers Digest Communications, LLC, used under license.

## Good Housekeeping Seal of Approval

YORK® residential products carry the *Good Housekeeping* Seal of Approval. Since 1909, this seal has signified that a product has been tested and approved by the *Good Housekeeping* Research Institute and guaranteed by *Good Housekeeping* magazine's trusted Consumer Policy.

## ENERGY STAR® Most Efficient 2017

The ENERGY STAR® Most Efficient 2017 designation recognizes the most efficient products among those that qualify for ENERGY STAR® certification. We are proud that our most efficient YORK® Affinity™ heating and cooling products have been tested and recognized as exceptional, leading-edge systems that received this special designation.

## American Quality

YORK® units are designed, engineered and assembled in the United States, where we closely monitor and improve processes that directly affect quality. It's this promise of excellence that allows us to offer outstanding warranties, meet the highest industry standards and deliver energy-saving comfort that lasts a lifetime. That's why, when it comes to home comfort, your confidence is our commitment.
